erlangga.co.id

E. View and sing.

erlangga.co.id

I. Listen and talk.

What's your favorite subject, Hana?

Not really. I love social studies and Indonesian.

Well, I like math. What about you? Do you like math, too?

erlangga.co.id

J. Ask your friend.

M. Read for fun.

Sunday, My Favorite Day

Sunday is my favorite day. I spend the day going out with my family. We visit tourist places, like beaches, rivers, or mountains. Sometimes we just travel around the city and eat lunch or dinner together. We often get home when it is dark and we all feel very happy. What a great day!
