This Is the Way

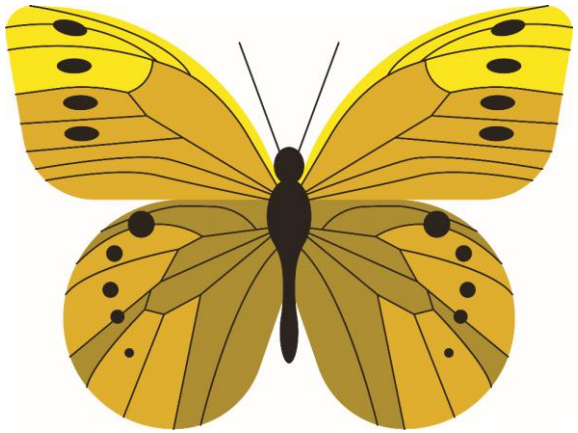

This is the way we put the soil.
Put the soil, put the soil.
This is the way we put the soil.
Let’s put it in the green pot.

This is the way we put the seeds.
Put the seeds, put the seeds.
This is the way we put the seeds.
Let’s put them in the green pot.

Insect

Butterfly, ladybug, grasshopper, bee
Where are they? Where are they?
Find them for me
Butterfly, ladybug, grasshopper, bee
Over there! Over there! Under the tree!

My Grandma's Garden

This is my grandma's garden. It is not so big, but it is beautiful. There are a lot of flowers. They are roses, sunflowers, and orchids. The roses are white and red, and the orchids are colorful. In the middle of the garden, there is a big mango tree. There are three chairs under that big mango tree. Next to the tree, there is a swing. I like sitting on the swing.
